When play of a hole has been completed, players should immediately leave the putting green

BEHAVIOUR DURING PLAY

No one should move, talk, and stand close to or directly behind the ball or the hole when a player is addressing the ball or making a stroke.

The player who has the honour should be allowed to play before their opponent or fellow competitor tees their ball.

CARE OF THE COURSE

■ BUNKERS

Before leaving a bunker, a player should carefully fill up and smooth over all holes and footprints made by him/her.

■ RESTORE DIVOTS, REPAIR ALL BALL MARKS AND DAMAGE BY SPIKES

Through the green, fill divots with sand, and that any damage to the putting green made by the ball is carefully repaired. Damage to the putting green caused by golf spikes should be repaired on completion of the hole. Metal spikes are not permitted.

■ DAMAGE TO GREENS BY FLAGSTICKS, BAGS, ETC.

Players should ensure that, when putting down bags, or the flagstick, no damage is done to the putting green, and that neither they, nor their caddies, damage the hole by standing close to it, in handling the flagstick or retrieving the ball from the hole. The flagstick should be properly replaced in the hole before the players leave the putting green.

■ GOLF CARTS

Local notices regulating the movement of golf carts or bikes should be strictly observed. Their use requires approval of the Committee.

Please use cart paths and obey signs.

■ DAMAGE THROUGH PRACTICE SWINGS

In taking practice swings, players should avoid causing damage to the course, Particularly the tees, by removing divots.

POINTS TO OBSERVE

If in doubt about a ruling, consult a Committee Member – DO NOT RISK DISQUALIFICATION

Computerised time sheets are available for all competitors at least one week in advance. Members are advised to check the notice board for notices and local rules.

PLAYER SAFETY

There is to be no calling up on Par 3 holes. The only exception is if the Course Marshall instructs players to do so.

GOLF COMPETITIONS AND HOW THEY ARE PLAYED

These notes are only intended to assist in the general concept of how various competitions are played.

■ **STROKE**

The score at each hole is entered on the score card, totalled and the player's full handicap deducted. The player who completes the stipulated round in the lowest net score will be the winner. Stableford scores also to be entered in stroke events for handicap purposes only.

■ **PAR**

In Par play, the score is entered on the card in the same way as in stroke play, with the exception that where the score exceeds Par for the hole, after allowing the handicap stroke (if the player is in receipt of one), the score need not be written in. When a player is bettered by Par, the ball shall be picked up. This helps speed the game.

After entering the stroke score on the card, the sign for a win (+) and (0) for a half and a (-) for a loss. At the end of the round, the plus and minus signs are added and the net result written in as so many "ups", "downs" or "all Square".

■ **STABLEFORD**

The method of playing a Stableford competition is for the player to take strokes at holes as in a Par competition and to score points on the nett results at each hole. At the end of the round, all points are added up and the player with the highest number of points is the winner. In scoring, without allowing for handicaps, a player who Pars, receives 2 points, 1 over Par 1 point, a birdie (or 1 under Par) 3 points, an eagle (or 2 under Par) 4 points and so on.

■ **FOUR BALL BEST BALL (4BBB)**

Players play as Partners, each taking strokes at holes as in a Par competition. If one of the Partners wins a hole and the other halves it, only the win is counted. If one player halves the hole with a Par and the other loses it, only the half is counted.

■ **FOURSOMES**

Two players play as Partners and use only one ball. The Partners strike off alternately from the tee and thereafter strike the ball alternately during the play of each hole. Scoring is done as for a stroke round and the total is subject to a handicap.

■ **MIXED FOURSOMES**

Mixed foursomes are played in the same manner as foursomes except that the ladies use their own tees and observe their own local rules when it is their turn to play.

■ **PINEHURST**

Both players play tee shots at each hole, then play a second stroke with their Partner's ball. One ball is then selected and play proceeds as a foursomes with the owner of the ball selected playing the third shot.

■ **AMBROSE**

1. Team to select Captain (preferably lowest marker), who shall be responsible for the method of play and marking of the card. Cards to be countersigned by another member of the team.
2. Captain to decide the order of play and the same order is to be maintained throughout the event. All players hit off tee. Captain then decides from which position the next stroke will be played.
3. Other team members lift their ball and PLACE within 15cm either side of the selected spot, no nearer the hole, and hit their next stroke from this position, no matter where their previous stroke finished. 15cm applies in rough and hazard.
4. If preferred lies are in force, the preferred lie is taken first, then markers are placed 15cm each side of the ball.
5. On the putting green the same order applies after the Captain makes the selection. All other balls are putted from within 15cm of the selected spot. Players may PUTT OUT. It is not necessary to putt if score cannot be bettered.

■ **CANADIAN**

Both players hit off the tee, then choose the best ball and hit alternative shots. The handicapping and scoring methods are identical with other Foursome events.

This competition can be played as mixed, men or ladies events. Lowest score is the winner.

■ **IRISH FOUR BALL**

First 6 holes (1 – 6) – Record only THE BEST score on each hole.

Second 6 holes (7 – 12) – Record the TWO BEST scores on each hole.

Last 6 holes (13 – 18) – Record the THREE BEST scores on each hole.

CONDITIONS OF ENTRY FOR KNOCKOUTS

(Captain's Trophy, Summer Cup, Singles Knockout, Winter Cup)

The competition shall be played in accordance with the Rules of Golf, as adopted by the Royal and Ancient Golf Club of St Andrew's Scotland, together with such local rules as are in force on the course over which the competition takes place. If a dispute arises on any point, it shall be decided by the committee in charge of the competition whose decision shall be final. Provided however, that the committee, if in doubt, shall have the right to refer any such dispute to the Council of the Victorian Golf Association, whose decision shall be final.

Qualifying scorecards to be marked with "yes" or "no" to indicate a desire to qualify for match play.

All matches are to be played from the blue markers.

All matches are to be played on the dates as decided by the match committee and as stated in the syllabus.

PLEASE AVOID SLOW PLAY

If there is a full clear fairway in front of you, your group is too slow – these hints will help:

- Don't delay at your tee if those in front of you are out of range ...HIT FIRST AND MARK CARD LATER!
- Go to your own ball first – be ready to play without delay when it comes to your turn.
- Watch your ball until it comes to rest.
- Clean your ball regularly during the game.
- Leave the green as soon as hole has been played. MARK CARD LATER!

Changes to date/rounds are at the Captain's discretion, but all matches must be played prior to the next round.
