

PETER CROTHERS

I have been a member of Yarrawonga Mulwala Golf Club Resort for a little over 7 years having moved to Yarrawonga with my wife, Nola early in 2018.

Prior to moving to Yarrawonga, upon retiring from the corporate world, I was a member of Phillip Island Golf Club. During my time there, I was Vice Captain for 2 years, Captain for 2 years and a Board Member for a further 5 years serving terms as Treasurer and Vice Chairman. During this time, I was also involved in the implementation of the automated handicap system and on-line golf bookings through the Micropower application.

In my working life, I worked for the ANZ Banking Group for 37 years, starting as a junior clerk and rising to Senior Management positions. After the first 5 years in general banking, I was transferred to the International Banking Division, where I spent the rest of my career.

From providing advice to branch staff as to the processing of International trade transactions, to writing policy and procedures, resolution of disputes and advising customers on methods to undertake International trade transactions were all positions I held over the 70's and 80's.

During the 90's, I was assigned to Asia for 6 years (South Korea and Taiwan), where I was responsible for the day-to-day operations of the Bank in those countries.

Following return to Australia, I worked in the International high value payments operations, with a variety of roles, including system changes and implementation, budget preparation and financial reporting, dispute resolution, overseeing training programs and mentoring younger staff on their progression to management.

I have been on the Board of YMGCR for the past two years and have a good understanding of the requirements to undertake the role involved. Whilst I have been out of the workforce for some time now, I nevertheless consider that with my extensive corporate experience in a large company and previous Board experience, I will continue to be able to add value to the Board if elected.
