COURTESY ON THE COURSE

In the interest of all, players shall play without delay.

No other player should play before the players in front are out of range.

Players searching for a ball should signal the players behind them to pass as soon as it becomes apparent that the ball will not be easily found, they should not search for 5 minutes before doing so. They should not continue play until the players following them have passed and are out of range.

When play of a hole has been completed, players should immediately leave the putting green.

BEHAVIOUR DURING PLAY

No one should move, talk, and stand close to or directly behind the ball or the hole when a player is addressing the ball or making a stroke.

The player who has the honour should be allowed to play before their opponent or fellow competitor tees their ball.

CARE OF THE COURSE

BUNKERS

Before leaving a bunker, a player should carefully fill up and smooth over all holes and footprints made by him/her.

RESTORE DIVOTS, REPAIR ALL BALL MARKS AND DAMAGE BY SPIKES

Through the green, fill divots with sand, and that any damage to the putting green made by the ball is carefully repaired. Damage to the putting green caused by golf spikes should be repaired on completion of the hole. Metal spikes are not permitted.

DAMAGE TO GREENS BY FLAGSTICKS, BAGS, ETC.

Players should ensure that, when putting down bags, or the flagstick, no damage is done to the putting green, and that neither they, nor their caddies, damage the hole by standing close to it, in handling the flagstick or retrieving the ball

from the hole. The flagstick should be properly replaced in the hole before the players leave the putting green.

GOLF CARTS

Local notices regulating the movement of golf carts or bikes should be strictly observed. Their use requires approval of the Committee.

Please use cart paths and obey signs.

DAMAGE THROUGH PRACTICE SWINGS

In taking practice swings, players should avoid causing damage to the course, Particularly the tees, by removing divots.

POINTS TO OBSERVE

If in doubt about a ruling, consult a Committee Member – DO NOT RISK DISQUALIFICATION.

Computerised time sheets are available for all competitors at least one week in advance. Members are advised to check the notice board for notices and local rules.

PLAYER SAFETY

There is to be no calling up on Par 3 holes. The only exception is if the Course Marshall instructs players to do so.

GOLF COMPETITIONS AND HOW THEY ARE PLAYED

These notes are only intended to assist in the general concept of how various competitions are played.

STROKE

The score at each hole is entered on the score card, totalled and **the player's full handicap deducted. The player who** completes the stipulated round in the lowest net score will be the winner. Stableford scores also to be entered in stroke events for handicap purposes only.

PAR

In Par play, the score is entered on the card in the same way as in stroke play, with the exception that where the score exceeds Par for the hole, after allowing the handicap stroke (if the player is in receipt of one), the score need not be written in. When a player is bettered by Par, the ball shall be picked up. This helps speed the game.

After entering the stroke score on the card, the sign for a win (+) and (0) for a half and a (-) for a loss. At the end of the round, the plus and minus signs are added and the net result written in as so many **"ups", "downs" or "all Square"**.

STABLEFORD

The method of playing a Stableford competition is for the player to take strokes at holes as in a Par competition and to score points on the nett results at each hole. At the end of the round, all points are added up and the player with the highest number of points is the winner. In scoring, without allowing for handicaps, a player who Pars, receives 2 points, 1 over Par 1 point, a birdie (or 1 under Par) 3 points, an eagle (or 2 under Par) 4 points and so on.

FOUR BALL BEST BALL

Players play as Partners, each taking strokes at holes as in a Par competition. If one of the Partners wins a hole and the other halves it, only the win is counted. If one player halves

the hole with a Par and the other loses it, only the half is counted.

FOURSOMES

Two players play as Partners and use only one ball. The Partners strike off alternately from the tee and thereafter strike the ball alternately during the play of each hole. Scoring is done as for a stroke round and the total is subject to a handicap.

MIXED FOURSOMES

Mixed foursomes are played in the same manner as foursomes except that the ladies use their own tees and observe their own local rules when it is their turn to play.

PINEHURST

Both players play tee shots at each hole, then play a second **stroke with their Partner's ball. One ball is then selected and** play proceeds as a foursomes with the owner of the ball selected playing the third shot.

AMBROSE

1. Team to select Captain (preferably lowest marker), who shall be responsible for the method of play and marking of the card. Cards to be countersigned by another member of the team.
2. Captain to decide the order of play and the same order is to be maintained throughout the event. All players hit off tee. Captain then decides from which position the next stroke will be played.
3. Other team members lift their ball and PLACE within 15cm either side of the selected spot, no nearer the hole, and hit their next stroke from this position, no matter where their previous stroke finished. 15cm applies in rough and hazard.
4. If preferred lies are in force, the preferred lie is taken first, then markers are placed 15cm each side of the ball.
5. On the putting green the same order applies after the Captain makes the selection. All other balls are putted from within 15cm of the selected spot. Players may PUTT OUT. It is not necessary to putt if score cannot be bettered.

CANADIAN

Both players hit off the tee, then choose the best ball and hit alternative shots. The handicapping and scoring methods are identical with other Foursome events.

This competition can be played as mixed, men or ladies events. Lowest score is the winner.

IRISH FOUR BALL

First 6 holes (1 – 6)

– Record only THE BEST score on each hole.

Second 6 holes (7 – 12)

Slope system.

CONDITIONS OF ENTRY FOR KNOCKOUTS

(Captain's Trophy, Summer Cup,
Singles Knockout, Winter Cup)

The competition shall be played in accordance with the Rules of Golf, as adopted by the Royal and Ancient Golf Club of St **Andrew's Scotland, together with such local rules as are in force** on the course over which the competition takes place. If a dispute arises on any point, it shall be decided by the committee in charge of the competition whose decision shall be final. Provided however, that the committee, if in doubt, shall have the right to refer any such dispute to the Council of the Victorian Golf Association, whose decision shall be final.

Qualifying scorecards to be marked with "yes" or "no" to indicate a desire to qualify for match play.

All matches are to be played from the blue markers.

All matches are to be played on the dates as decided by the match committee and as stated in the syllabus.

Changes to **date/rounds are at the Captain's discretion, but** all matches must be played prior to the next round.

PLEASE AVOID SLOW PLAY

If there is a full clear fairway in front of you, your group is too slow – **these hints will help. Don't delay at your tee** if those in front of you are out of range. **HIT FIRST AND MARK CARD LATER!** Go to your own ball first – be ready to play without delay when it comes to your turn. Watch your ball until it comes to rest. Mark it with some object. Clean your ball regularly during the game. Leave the green as soon as hole has been played. **MARK CARD LATER!**

The Committee welcomes everyone to

CONDITIONS OF PLAY

These conditions of play are in summary form. The “Conditions of Play” document in the Lady Members’ room contains full details.

1. WEDNESDAY – SATURDAY – SUNDAY: 18 holes, unless otherwise stated.
2. CANCELLATIONS: Cancellations must be rung through to the Pro Shop.
3. HANDICAPS: All scores returned in 9 to 18 hole single stroke play including Par and Stableford competition rounds, played from ladies tees, under the Rules of Golf must be used for handicapping purposes.
Four-ball scores (including mixed events) MUST be used for handicapping an individual player but only if the following requirements are met:
 - o The pair has a score of at least 42 Stableford points (6 up in Par or nett 6 under in Stroke events).
 - o **The individual player’s score appears at least 9 times on the four-ball score card.**
 - o The adjusted score (after the below method has been followed to create an individual score card) produces a handicap differential which is equal **to or better than the individual player’s handicap.** (GOLF *Link* Clubs will enter these scores as ad-hoc scores.)

NOTE i: **WHERE AN INDIVIDUAL PLAYER’S SCORE IS TO BE HANDICAPPED** (irrespective of whether the competition is played as Par, Stroke or Stableford), **IT MUST BE PROCESSED AS A STABLEFORD SCORE** in accordance with the procedures contained within this regulation.

NOTE ii: If two identical net scores are recorded by partners on a hole, both scores are eligible to be used on an adjusted individual score card. However, if the first player to hole out can be readily identified, the second player is deemed to have not recorded a score for that hole.

NOTE iii: When both players have 0 Stableford points on a hole, for the purpose of creating an adjusted individual score card, each player will have 0 points listed on the individual card for this hole.

4. COUNTBACKS: For handicap events, the best score for the last 9 holes will be used; if there is still a tie, the last 6 holes, or if a tie still remains, the last 3 holes. If still tied, then hole by hole from the 18th.
5. COMPETITIONS: WEDNESDAYS AND WEEKENDS; If there are less than 20 players there will be a ball competition. Major events and Medal Rounds must have a minimum of 20 players. MEDAL ROUNDS; A & B – one medal; C & D – one medal.

When two courses are played, there will be two separate competitions.

6. VISITORS: On payment of green fees plus the necessary competition fee, a lady visitor holding a current handicap may play in a competition field. She will not be eligible to play in any major event and will not be eligible to win a medal or pewter. Visitors may however, play in the daily competition on days when major events are scheduled.
7. COMPETITION RULES: A player must pay her competition fee, on each occasion before playing. Cards must be posted in the competition box **in the Lady Members' room within 15 minutes** of completion of her round. The cards must show handicap, membership number and be correctly signed.
8. HANDICAP ALLOWANCES: Single Match Play – full handicap difference; Foursomes – ½ combined handicap. Foursomes Match play – full difference between half the aggregate handicaps of each pair. Stableford, Par and 4BBB – full handicap difference. Pinehurst – 3/8 combined handicap.
9. PRESENTATION DAYS: To be held on Wednesdays after completion of competition.
10. TROPHY VOUCHERS: Must be used within 3 Months of date of issue.

2019 Golf Program

11. MATCH COMMITTEE: The Match Committee has the right to change events, dates and times when necessary.
12. In accordance with health and safety legislation, the committee reserves the right to reschedule or alter events where the temperature is excessive, or for any other reason related to the health or safety of players.
13. Any protest in connection with a competition or match shall be delivered in writing to a member of the Match Committee within 24 hours. The Match Committee shall deal with such protests as early as possible.
