## **PLAYER SAFETY**

There is to be no calling up on Par 3 holes. The only exception is if the Course Marshall instructs players to do so.

## **GOLF COMPETITIONS AND HOW THEY ARE PLAYED**

These notes are only intended to assist in the general concept of how various competitions are played.

### **STROKE**

The score at each hole is entered on the score card, totalled and the player's full handicap deducted. The player who completes the stipulated round in the lowest net score will be the winner. Stableford scores also to be entered in stroke events for handicap purposes only.

### **PAR**

In Par play, the score is entered on the card in the same way as in stroke play, with the exception that where the score exceeds Par for the hole, after allowing the handicap stroke (if the player is in receipt of one), the score need not be written in. When a player is bettered by Par, the ball shall be picked up. This helps speed the game.

After entering the stroke score on the card, the sign for a win (+) and (0) for a half and a (-) for a loss. At the end of the round, the plus and minus signs are added and the net result written in as so many "ups", "downs" or "all Square".

### **STABLEFORD**

The method of playing a Stableford competition is for the player to take strokes at holes as in a Par competition and to score points on the nett results at each hole. At the end of the round, all points are added up and the player with the highest number of points is the winner. In scoring, without allowing for handicaps, a player who Pars, receives 2 points, 1 over Par 1 point, a birdie (or 1 under Par) 3 points, an eagle (or 2 under Par) 4 points and so on.

### **FOUR BALL BEST BALL**

Players play as Partners, each taking strokes at holes as in a Par competition. If one of the Partners wins a hole and the other halves it, only the win is counted. If one player halves the hole with a Par and the other loses it, only the half is counted.

### **FOURSOMES**

Two players play as Partners and use only one ball. The Partners strike off alternately from the tee and thereafter strike the ball alternately during the play of each hole. Scoring is done as for a stroke round and the total is subject to a handicap.

### **MIXED FOURSOMES**

Mixed foursomes are played in the same manner as foursomes except that the ladies use their own tees and observe their own local rules when it is their turn to play.

### **PINEHURST**

Both players play tee shots at each hole, then play a second stroke with their Partner's ball. One ball is then selected and play proceeds as a foursomes with the owner of the ball selected playing the third shot.

### **AMBROSE**

1. Team to select Captain (preferably lowest marker), who shall be responsible for the method of play and marking of the card. Cards to be countersigned by another member of the team.

2. Captain to decide the order of play and the same order is to be maintained throughout the event. All players hit off tee. Captain then decides from which position the next stroke will be played.

3. Other team members lift their ball and PLACE within 15cm either side of the selected spot, no nearer the hole, and hit their next stroke from this position, no matter where their previous stroke finished. 15cm applies in rough and hazard.

4. If preferred lies are in force, the preferred lie is taken first, then markers are placed 15cm each side of the ball.

5. On the putting green the same order applies after the Captain makes the selection. All other balls are putted from within 15cm of the selected spot. Players may PUTT OUT. It is not necessary to putt if score cannot be bettered.

#### CANADIAN

Both players hit off the tee, then choose the best ball and hit alternative shots. The handicapping and scoring methods are identical with other Foursome events.

This competition can be played as mixed, men or ladies events. Lowest score is the winner.

#### IRISH FOUR BALL

First 6 holes (1 - 6) - Record only THE BEST score on each hole.

Second 6 holes (7 - 12) - Record the TWO BEST scores on each hole.

Last 6 holes (13 - 18) - Record the THREE BEST scores on each hole.

#### HANDICAPS FOR VARIOUS EVENTS

##### 1. INDIVIDUAL

Stroke, Par and Stableford - full stroke handicap.  
Match play - difference of stroke handicaps.

##### 2. FOURSOMES (including Mixed)

1/2 aggregate stroke handicaps.

##### 3. PINEHURST

3/8 aggregate stroke handicaps.

##### 4. FOUR BALL MATCH PLAY

Lowest marker in the match plays off scratch. The other players play off the difference between the lowest marker's handicap and their own.

##### 5. AMBROSE HANDICAP ALLOWANCE

2 players 1/4 of aggregate stroke handicap

3 players 1/6 of aggregate stroke handicap

4 players 1/8 of aggregate stroke handicap.

#### HANDICAP GRADINGS (Approx)

A and B: A 0-15, B 16-36

## **COUNTBACKS**

The best score for the last nine holes shall be used. If there is still a tie, the last six holes shall be used and, if still tied, the last three holes shall be used. If a tie still persists, then hole by hole scores shall be taken from the 18<sup>th</sup> hole.

### **27, 36, 54 and 72 HOLE EVENTS**

The last 18 holes shall be used and if still tied, the countback as in 18 hole events shall be used.

NOTE: The best score for the last six holes shall be used in nine hole events, then the last three and, if a tie persists, then hole by hole from the 9<sup>th</sup>.

Medal of Medallists Final- sudden death play off.

## **PROTESTS**

Any protest in connection with a competition or match shall be delivered in writing to a member of the Committee after the match or competition is completed. Such protest shall be dealt with by the Committee as early as possible.

## **AUSTRALIAN HANDICAP**

The Australian system has been designed to achieve uniformity in handicapping throughout Australia.

A player shall have one Australian handicap only and this shall be allotted by his Home Club. Members shall report to their Home Club all scores returned at other clubs and, with these reported scores, they shall also give the course rating of the day and the Par on the course.

Slope system.

## CONDITIONS OF ENTRY FOR KNOCKOUTS

### (Captain's Trophy, Summer Cup, Singles Knockout, Winter Cup)

The competition shall be played in accordance with the Rules of Golf, as adopted by the Royal and Ancient Golf Club of St Andrew's Scotland, together with such local rules as are in force on the course over which the competition takes place. If a dispute arises on any point, it shall be decided by the committee in charge of the competition whose decision shall be final. Provided however, that the committee, if in doubt, shall have the right to refer any such dispute to the Council of the Victorian Golf Association, whose decision shall be final.

Qualifying scorecards to be marked with "yes" or "no" to indicate a desire to qualify for match play.

All matches are to be played from the blue markers.

All matches are to be played on the dates as decided by the match committee and as stated in the syllabus.

Changes to date/rounds are at the Captain's discretion, but all matches must be played prior to the next round.

### PLEASE AVOID SLOW PLAY

If there is a full clear fairway in front of you, your group is too slow – these hints will help - ▪ Don't delay at your tee if those in front of you are out of range ...**HIT FIRST AND MARK CARD LATER!** ▪ Go to your own ball first – be ready to play without delay when it comes to your turn. ▪ Watch your ball until it comes to rest. ▪ Clean your ball regularly during the game. Leave the green as soon as hole has been played. **MARK CARD LATER!**

*The Committee welcomes everyone to another golfing year.*

## CONDITIONS OF PLAY

These conditions of play are in summary form. The “Conditions of Play” document in the Lady Members’ room contains full details.

1. WEDNESDAY – SATURDAY – SUNDAY: 18 holes, unless otherwise stated.
  2. CANCELLATIONS: Cancellations must be rung through to the Pro Shop.
  3. HANDICAPS: All scores returned in 9 to 18 hole single stroke play including Par and Stableford competition rounds, played from ladies tees, under the Rules of Golf must be used for handicapping purposes. Four-ball scores (including mixed events) MUST be used for handicapping an individual player but only if the following requirements are met:
    - The pair has a score of at least 42 Stableford points (6 up in Par or nett 6 under in Stroke events).
    - The individual player’s score appears at least 9 times on the four-ball score card.
    - The adjusted score (after the below method has been followed to create an individual score card) produces a handicap differential which is equal to or better than the individual player’s handicap. (GOLF *Link* Clubs will enter these scores as ad-hoc scores.)
- NOTE i:** WHERE AN INDIVIDUAL PLAYER’S SCORE IS TO BE HANDICAPPED (irrespective of whether the competition is played as Par, Stroke or Stableford), IT MUST BE PROCESSED AS A STABLEFORD SCORE in accordance with the procedures contained within this regulation.
- NOTE ii:** If two identical net scores are recorded by partners on a hole, both scores are eligible to be used on an adjusted individual score card. However, if the first player to hole out can be readily identified, the second player is deemed to have not recorded a score for that hole.
- NOTE iii:** When both players have 0 Stableford points on a hole, for the purpose of creating an adjusted individual score card, each player will have 0 points listed on the individual card for this hole.
4. COUNTBACKS: For handicap events, the best score for the last 9 holes will be used; if there is still a tie, the last 6 holes, or if a tie still remains, the last 3 holes. If still tied, then hole by hole from the 18<sup>th</sup>.
  5. COMPETITIONS: WEDNESDAYS AND WEEKENDS; If there are less than 20 players there will be a ball competition. Major events and Medal Rounds must have a minimum of 20 players. MEDAL ROUNDS; A & B – one medal; C & D – one medal.  
When two courses are played, there will be two separate competitions.
  6. VISITORS: On payment of green fees plus the necessary competition fee, a lady visitor holding a current handicap may play in a competition field. She will not be eligible to play in any major event and will not be eligible to win a medal or pewter. Visitors may however, play in the daily competition on days when major events are scheduled.
  7. COMPETITION RULES: A player must pay her competition fee, on each occasion before playing. Cards must be posted in the competition box in the Lady Members’ room within 15 minutes of completion of her round.

- The cards must show handicap, membership number and be correctly signed.
8. **HANDICAP ALLOWANCES:** Single Match Play – full handicap difference; Foursomes – ½ combined handicap. Foursomes Match play – full difference between half the aggregate handicaps of each pair. Stableford, Par and 4BBB – full handicap difference. Pinehurst – 3/8 combined handicap.
  9. **PRESENTATION DAYS:** To be held on Wednesdays after completion of competition.
  10. **TROPHY VOUCHERS:** Must be used within 3 Months of date of issue.
  11. **MATCH COMMITTEE:** The Match Committee has the right to change events, dates and times when necessary.
  12. In accordance with health and safety legislation, the committee reserves the right to reschedule or alter events where the temperature is excessive, or for any other reason related to the health or safety of players.
